Longview Queens United is a 501 c3 organization that seeks to “unite women by modeling collaboration”. We are community leaders and members of various organizations who seek to provide inclusive programming that engages, educates, and inspires women and their communities in order to create a network of support that alleviates barriers to success. With this mission in mind, our goal is to help your student sharpen her leadership and interpersonal skills, serve her community, and connect with women in leadership for empowerment purposes.

Our motto is “Queens don’t compete, they collaborate” and we hope to share this ideology with the young ladies we get the opportunity to engage during our meeting times.
